2008 U.S. Amateur Public Links Golf Championship
Murphy Creek Golf Course
Aurora, Co 80018
July 14th – 19th, 2008
VOLUNTEER APPLICATION FORM

In 2008 the City of Aurora Golf Division will be hosting the United States Amateur Public Links Championship at Murphy Creek Golf Course. A tournament of this magnitude will bring the national golf spotlight to Murphy Creek, the City of Aurora and the metro area. For this tournament to be the success that we envision, we can't do it without the volunteer support of the metro area's golfing community. Non-golfers are also welcome.

There are many services that we will be providing for the golfers, spectators and USGA staff. At this time we would like to compile a database of volunteers to assist in conducting this National Championship.

If you are interested in volunteering to support our efforts, please provide us with the information listed below:
